Re: Delphi Corp., et al., Debtors  
Case No. 005-44421 (RDD)  
Our File No. 129141-00001

Dear Ms. Bucholz:

This law firm represents Niles USA, Inc./Wintech, Inc. ("Niles"). Delphi Corporation ("Delphi") filed a voluntary petition commencing cases under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). Within the last 20 days, Niles delivered goods and supplies to Delphi, which were sold to Delphi on credit and received by Delphi at a time when we now believe Delphi was insolvent.

Demand is hereby made on behalf of Niles pursuant to Section 2-702 of the Uniform Commercial Code and Section 546(c) of the Bankruptcy Code, and/or other applicable law, for the return to Niles of all goods and supplies are more particularly identified on Schedule 1 attached hereto. This reclamation demand is made without prejudice to Niles' right to make one or more subsequent such demands for the return to Niles of any goods and supplies not identified on the attached Schedule 1 that were sold on credit to and received by Delphi for which payment has not been made.

This letter serves as notice to Delphi that Niles asserts its demand to reclaim the aforementioned goods and supplies. Such goods and supplies should be returned to Niles and should not be used or disposed of in any way.

Please contact the undersigned with any questions.

MILLER, CANFIELD, PADDOCK AND STONE, P.L.C.
